"A NATION'S TREASURE...SCHOLARS." As San Bernardino's eastern high school, Pacific has turned to the wisdom of the East in setting the tone of Pacificana for 1958. The Oriental philosopher, Confucius, had the happy faculty of compressing truth into short, but meaningful, phrases. Some of these ancient sayings have here been applied to the situations and activities of this happy year. LEARNING IS TREASURE NO THIEF CAN TOUCH." A school's primary responsibility is instruction, and Pacific has provided this in full measure. The use of this imparted knowledge can only be

determined by a study of accomplishments in later years. "TO KNOW THE ROAD AHEAD, ASK THOSE COMING BACK."

"THE DOOR TO VIRTUE...HEAVY AND HARD TO PUSH." Book learning alone cannot insure success. Moral principles must be developed, and Pacific has attempted to give a serviceable set of values.

Here is the record of the year. "TAKE A SECOND LOOK...IT COSTS YOU NOTHING."

I am grateful to have had the opportunity of being your Student Body President for this past year. The job has been a privilege; the student council, being especially hard working and conscientious, has contributed much toward another successful year for Pacific High. On behalf of the Student Council, I want to thank the Student Body for its loyalty and support of our school during '57-'58.

"SLOW WORK . . . FINE WORK." The Pacificana staff has discovered that many headaches and much anguish can be compensated for by the feeling of satisfaction with the task completed. As Confucius says, "IN MULTITUDES OF WORDS, SURELY SOME MISTAKES." But few, we hope!

The Hi-Tide is published to inform; and that is what we have done, from the Pirate Panic to the final Awards Assemblies. I am proud of our many accomplishments and of the top-rate paper we have published each week, but most of all I am proud of the people who have made up this "best-yet" staff—student journalists who have realized that, by meeting and conquering daily problems, they have paved and straightened their road into the adult world.

"WHEN WINGS ARE GROWN, BIRDS AND CHILDREN FLY AWAY." So said an ancient Chinese prophet; and our senior class is now fully sprouted. Children no longer, they are moving into the adult world as men and women with awesome responsibilities. Pacific has supplied the winds . . . strong or weak, depending upon opportunities seized. And as they fly away, another proverb is urged upon them for future guidance: "WE CAN STUDY UNTIL OLD AGE AND STILL NOT FINISH."

Sharon,
I think you're a
real sweet gal.
I hope we can become
better friends next
year. Sheila

"IF YOU ALWAYS GIVE, YOU WILL ALWAYS HAVE." Most of our clubs have been designed for service. Their members have discovered the satisfaction that comes from giving of oneself for the general good of all. Clubs have sponsored dances, conducted sales campaigns, aided in community fund drives, worked on the Country Fair, entered scholastic competitions—all for the purpose of bringing honor to the school and success to local projects.

Confucius Say: "A Good Friend . . A Found Treasure."

JUNIORS

"DON'T WASTE YOUR HOUR . . . THE SUN SETS SOON." The Junior class has contributed much to the success of this school year, but there has been the feeling among many of its members that school just goes on and on. Now they have reached that point at which it suddenly becomes evident that the end is near. Many of them will be entering their last year of formal study. Confucius has handed down another precept for their guidance during their senior year: "THE BIGGEST PROFITS MEAN GRAVEST RISKS."

ACTIV

"HAPPY PEOPLE NEVER COUNT HOURS AS THEY PASS" Pacific has had a well-deserved reputation as a school with enough co-curricular activities for everyone. We have learned that, in school and later in life, the active man is the happy man. Activities have been coordinated by the student council in such a way that all of them have had some educational value as well as social enrichment.

DANCES

The cafetorium has been the scene of most of our dances, and the Rally Committee must be given a great deal of credit for several outstanding decorating jobs. Changing the teacher's cafeteria into an old-fashioned ice cream parlour this year has added interest to our school dances.

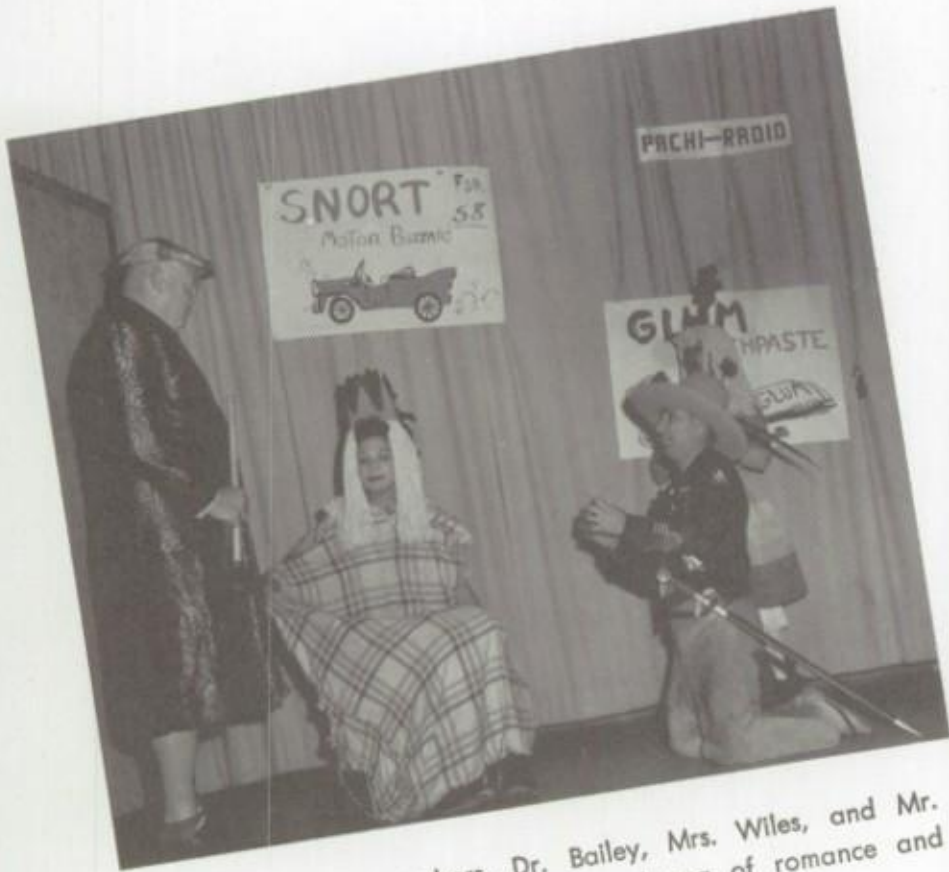

RALLY PHS

This year, for the first time, Pacific High has had an effective Rally Committee. **AT THE UPPER LEFT**, Pat Akers, John Lyall, and Charlene Clapperton are decorating the Cafetorium for the Sweetheart Ball. **IN THE CENTER PHOTO** are the members of this hard-working group: D. Harris, N. Summers, E. Thulin, K. Koenig, L. Higginson, J. Oliver, M. Messenger, K. Perkins, Rally Committee Chairman J. Lyall, R. Fallon, N. Aragon, S. Isenberg, D. Cruzen, L. Cutter, J. Brown, K. McKenzie, C. Clapperton, D. Urkov, T. Hamilton, J. Keil, L. Spencer, E. Harrington, B. McClintock, D. Teague, S. Cooper, J. Caldwell, D. McKenzie, S. Rose, P. Goodcell, M. Mellin, P. Akers. **LOWER RIGHT**, Rally Committee members Christy Sorenson and Karen Evans enforce an old Oriental custom—shoes off as you enter—at a school assembly in the gymnasium.

ASSEMBLIES

Talented faculty members, Dr. Bailey, Mrs. Wiles, and Mr. Fotia, are shown here enacting a drama of romance and suspense in the 1958 Faculty Review.

ABOVE, Mr. Bone is the sweet young maiden and Mr. Fotia is the little blue man in a tender musical presentation at the Faculty Review. AT THE LEFT is a scene from one of our more serious assemblies, a very worthwhile program presented by General Electric.

The Francis Shop offered a fashion show for Pacific girls. Shown here modeling night wear are S. Holligan, T. Barry, M. Richards, K. Pasley, P. Funk, K. Miller, F. Chamberlain, J. Callahan, K. McDonald, and J. Wilson.

Pacific originality showed up again in the form of a fashion show in which both boys and girls modeled. Shown here wearing some of the featured outfits are K. Wrynski, D. Rogers, N. Aragon, and B. Escobar.

The Christmas assembly was filled with pageantry and beauty. This scene, picturing the nativity, was one of the many entertainments offered.

RALLIE

ABOVE: J. Winnen and G. Parnell look glamorous in a record pantomime. AT RIGHT, in a simulated sports broadcast interview, "sportscaster" T. Perry interviews "rival coach" B. Briggs, while the "rival team" goes through "training routines" in the background.

AT LEFT, B. Burrus (Doc), S. Lovell (Happy), P. Funk (Grumpy), B. Sellards (Sneezy), K. McDonald (Bashful), J. Callahan (Sleepy), C. Marsh (Dopey), are the Seven Dwarfs in a dramatic sequence with a Disneyland theme.

S. Holligan, M. Smidt, L. Brooks, K. Ward, and K. Pasley give their impression of silent movie days at a Pep Rally with a Show Business Theme.

Another Pep Rally based on Nursery Rhymes finds the Pom Pon girls, S. Royer, S. Street, J. Winnen, S. Hollingsworth, and G. Parnell appearing as the children of the Old Woman in the Shoe. For the Fontana Steeler football game, P. Funk, C. Bradley, H. Wilson, G. McCormic, and J. Callahan give their version of Fontana attempts to torture a loyal Pirate. The attempts are foiled, naturally.

DRAMA

ABOVE, Paul Worsham (Judge Gaffney) threatens to sue Robin Smiley (Dr. Chumley) while Mel Messenger (Wilson) and Les Liess (Dr. Sanderson) stand by, in a hilarious scene from "Harvey." AT RIGHT, Bev Burrus (Vita Louise Simmons)

and Wayne Merchant (Elwood P. Dowd) gaze fondly at the Art Production class versions of Harvey, used to publicize the show.

Thespian Troupe 1552 has had its most successful year, the highlight of the season being the four-night appearance of "Harvey." Wayne Merchant (Elwood P. Dowd) introduces Harvey to Lois Stackhouse (Mrs. Chauvenet) while Pat Goodcell (his niece Myrtle May) looks on unhappily at this added disgrace to the family reputation.

Drama

All our exchange assemblies have been planned and executed by the Music Production group, backed by the dance band. The big event for this group each year is a musical play. 1958's big hit was "The Count and the Coed." The members are: R. Barden, H. Blodgett, I. Bray, B. Brooks, V. Cary, A. Cook, K. DeMuth, M. Haines, I. Hauff, E. Harrington, M. Harwell, R. Hensley, D. Jones, J. Kaler, P. Karns, K.

Koenig, S. Lyon, A. Mann, D. Maraska, M. Messenger, D. Middaugh, M. McEwen, E. O'Day, N. Otto, G. Parra, L. Remes, N. Reynolds, M. Richards, M. Savage, K. Schneider, L. Siedband, S. Smith, J. Sturgen, W. Trujillo, W. Trujillo, A. Ware, S. Wells, C. Wheller, P. White, S. Wilson, P. Worsham.

Mother Nature cooperated with our Oriental theme by providing us with an epidemic of Asiatic Flu. Here is a typical morning scene outside the attendance office as flu victims return to the fold.

CAMPUS SHOTS

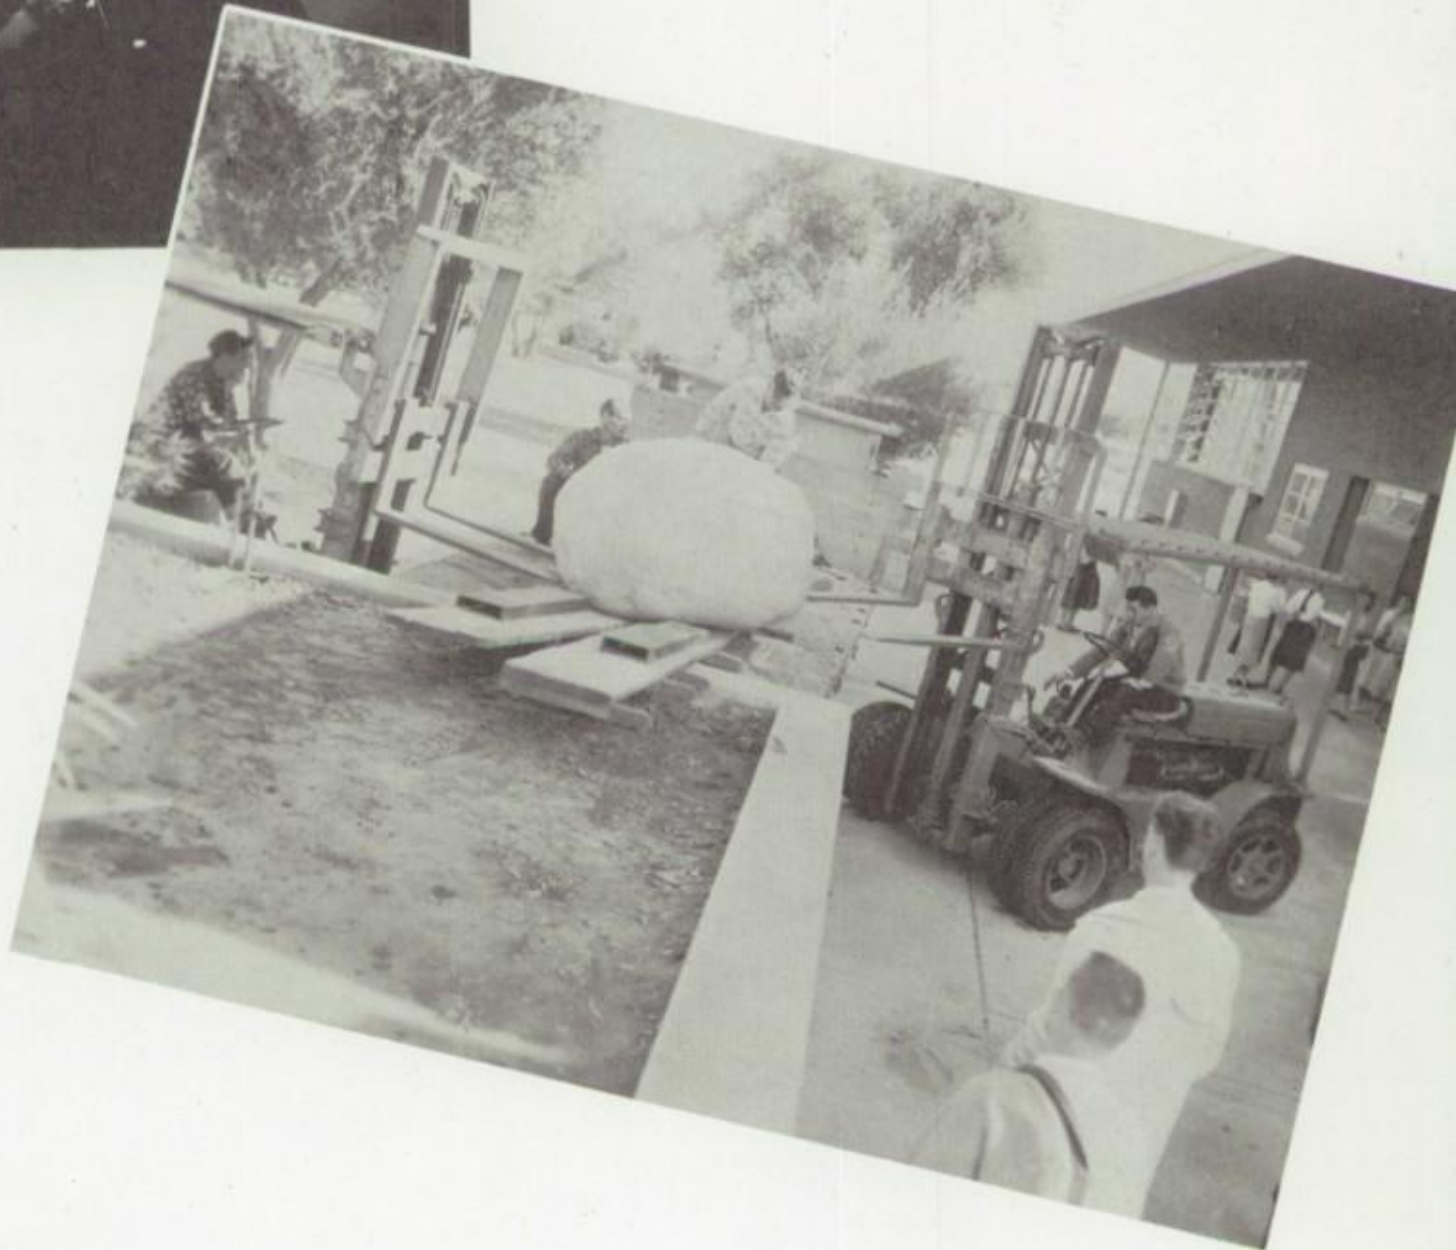

If you think this happy group is performing a Chinese prayer ritual, you're wrong. It's Mr. Painter's special ceremony in honor of his gifted students who overconversationalize.

S.B.H.S. students are here shown making corrections on their attempt to beautify our campus—with Chinese red paint.

Art production students Karen McDonald, Leila Kane, and Trink Barry perform a community service by painting Christmas scenes on store windows.

Our own version of the Rock of Gibraltar is shown here being put into its permanent place on our campus. As Confucius says, "ONE FAMILY BUILDS THE WALL ... TWO FAMILIES ENJOY IT." We don't know how this fits in here, but it's a nice thought.

"THE HAPPINESS IN YOUR POCKET ... DON'T SPEND IT ALL" We have a loan commission. Shown here are T. Brigham, K. Neblett, Chairman, D. Ulrich, J. Gable, M. Mellin.

PROM

The Junior-Senior Prom is the top social event of the year. Kitty Pasley and Ray Wesner, here representing all the happy Pacificans who attended, re-enact the evening. Kitty prepares for the date; Ray arrives, complete with foliage; they dance on the proverbial cloud; and — the end of a perfect date.

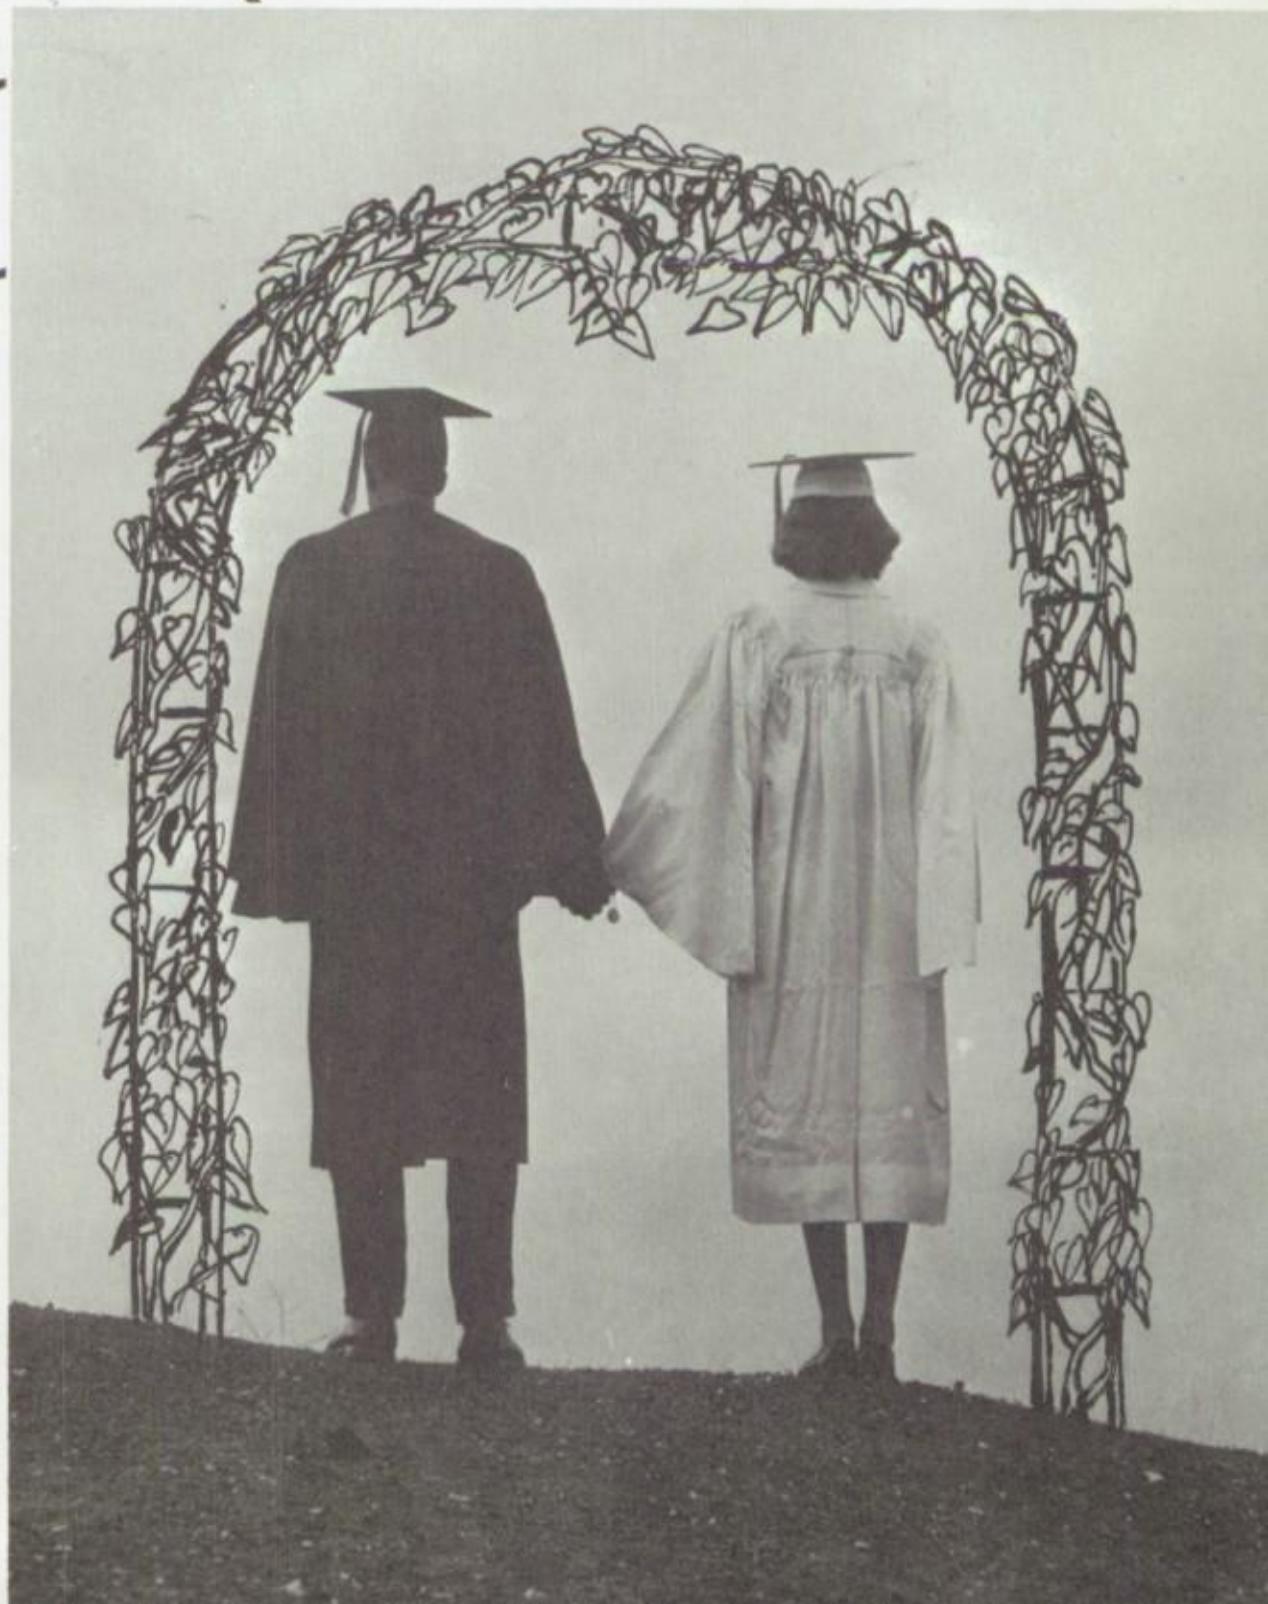

"GOLD HAS ITS PRICE; LEARNING IS BEYOND PRICE." This Oriental truism has had a clear meaning for the three students pictured here. Year after year they have ranked at the top of their class in achievement. This year they have reached the pinnacle—Valedictorians for 1958. **UPPER LEFT** is Jean Barnes, **LOWER LEFT** is Michael Anderson, and **LOWER RIGHT** is Richard Anderson.

The beginning of life ... the step into responsible citizenship. All of our school efforts are directed toward this moment. The list at the left indicates those who have reached this momentous position at the top of their class. All honor to them, and good wishes to the graduates of 1958. As Confucius say, "A NATION'S TREASURE ... SCHOLARS."

They are
 really to
 for words and
 wish as hard
 as possible
 we will both be
 able to have the
 store of our dreams
 if we both work
 hard & know we
 can make them
 dream real.
 (John)

"IF HEAVEN MADE THEM, EARTH CAN
 FIND SOME USE FOR THEM." Too often a
 sophomore class inspires this rather con-
 descending attitude among the upperclass-
 men. But this year's sophomore class has
 made a genuine place for itself. In sports, in
 scholastic achievement, in music and drama,
 in student leadership — sophomores have
 played an important part. They have per-
 formed so well and moved ahead so fast,
 in fact, that it might be well to give them
 a word of advice from Confucius: "DON'T
 LAUGH AT OLD AGE—PRAY TO REACH
 IT TOO."

Competitive sports are the backbone of school spirit. They give the student body something to unite behind; and they give the participants an early preparation for life's competition. In the words of Confucius, "MAN MUST BE SHARPENED ON MAN, LIKE KNIFE ON STONE." Our teams this year have had good moments and bad; but there has not been one moment when our athletes have not given the best of which they were capable at that moment. We can be proud of the composite record our teams have compiled.

Coach Ray Postema

The 'B' Basketball Team, coached by Ray Postema, had a very successful season. Winner of the Consolation Championship in the San Bernardino 'B' Basketball Tourney, they won 16 games, and lost only 7 by a few points. The conference standing of the team was third, the best record ever compiled by a Pacific High 'B' Basketball team. 'B' TEAM MEMBERS ARE: Ron Redmond, Lonnie Taylor, Roger States, Dick Harris, Dave Murray, John Lang, Mike Watson, Paul Boles, Tom Fisk, Mike Newkirk, Caesar Sereseres, and John Kennedy.

'B' BASKETBALL

One of the most colorful ceremonies of the year, the crowning of basketball queen Joyce Callahan, is shown here. **ABOVE** are the queen and her court: M. Rice and L. Knotts. Sophomore Princess: B. Botts and J. Wilson 2nd Princess; E. Dexter and Queen Joyce Callahan; S. Hollingsworth 1st Princess, and T. Self; C. Perkins Junior Princess, and K. O'Neil. **AT THE LEFT**, a dramatic moment in the coronation ritual is shown.

BASEBALL

Baseball prospects look fairly good for the 1958 season, with pitching and first base the biggest question marks. Early season heavy rain has limited Coach Southworth's time and opportunity to develop these uncertain positions, but Pacific fans are always assured of a hustling ball club under his direction. **TEAM MEMBERS ARE:** J. Groover, C. Bradley, R. Warrick, J. Robertson, B. Butler, J. Lastoski, D. Warrick, F. Pettengill, M. Kaiser, B. Beers, J. Boyer, B. Gonzales, M. Jezek, D. Greer, J. Bowers, T. Fisk, G. Olin, B. J.V. BASEBALL

Continuing success in any sport depends on developing players for the following years. Our junior varsity baseball team, under the capable direction of Coach Smaha, has a full schedule of games to provide playing experience for sophomores and juniors who are not quite ready for varsity competition. **TEAM MEMBERS ARE:** Mr. Smaha, D. Wilshire, R. Kempton, P. Boles, G. Clem, M. Gronemyer, R. Chacon, O. Crawford, R. Fryer, M. Sunnes, T. Gang, E. Powell, K. Horton.

CROSS COUNTRY

The Cross-Country team this year is: Brian Curley, Asst. Mgr.; Joe More, Reed Simpson, James Shelton, Floyd Baker, Ken Grant, Larry Sterrett, Frank Lavis, Mgr.; Art Flores, Capt.; Oscar Crawford, Ed Beatson, Noel Bowden, Alan Jacobsen, Coach Finn, Doug DeTinne, Charles Thomas, Charles Seward, Bob Peterson, Warren Dickens, Wayne Starne, Roy Sharp, Richard Lavoie, Virgil Anderson, Burt Anderson, Bill Stancer, John Morton, Mel Sayre, Bob Splan, Fred Chrisman, Tom Pedigo, Jim Reed.

The '57-58 cross-country season was the most successful in the history of Pacific High. Varsity regulars were J. Morton, L. Sterrett, A. Flores, J. More, and B. Stancer, with N. Bowden as sub. These harriers defeated eleven teams in dual meets, losing only to Ramona and Riverside. In CBL finals our varsity finished second, defeating Riverside for the first time, but were nosed out by Ramona for the championship. J. Morton finished third, the highest spot ever won by a Pacific runner in varsity finals. The Sophs dropped their first meet to Redlands, then finished the season without another loss. In CBL finals they revenged their early defeat by Redlands and won the championship. Soph mainstays were C. Thomas, N. Bowden, W. Starne, K. Gant, F. Chrisman, E. Beatson, C. Seward, and M. Sayre. In dual and practice meets our JV team was undefeated. In CBL finals our entire squad of eight finished in the first eleven to win the championship. J. Reed led the pack of forty over the Perris Hill course to aid in the win. JV team consisted of J. Reed, B. Anderson, T. Pedigo, R. Lavoie, D. DeTinne, V. Anderson, and W. Dickens. After the CBL finals, JV and Soph teams combined and became the first Pacific CC team to qualify for CIF finals. In addition to our teams' accomplishments, Pacific sponsored a successful invitational meet with 500 runners and 29 schools competing. The meet was outstanding because of the able assistance of Faculty members, Varsity Club, Cadet Corps, and four beautiful girls from leadership group who presented the awards.

TRACK

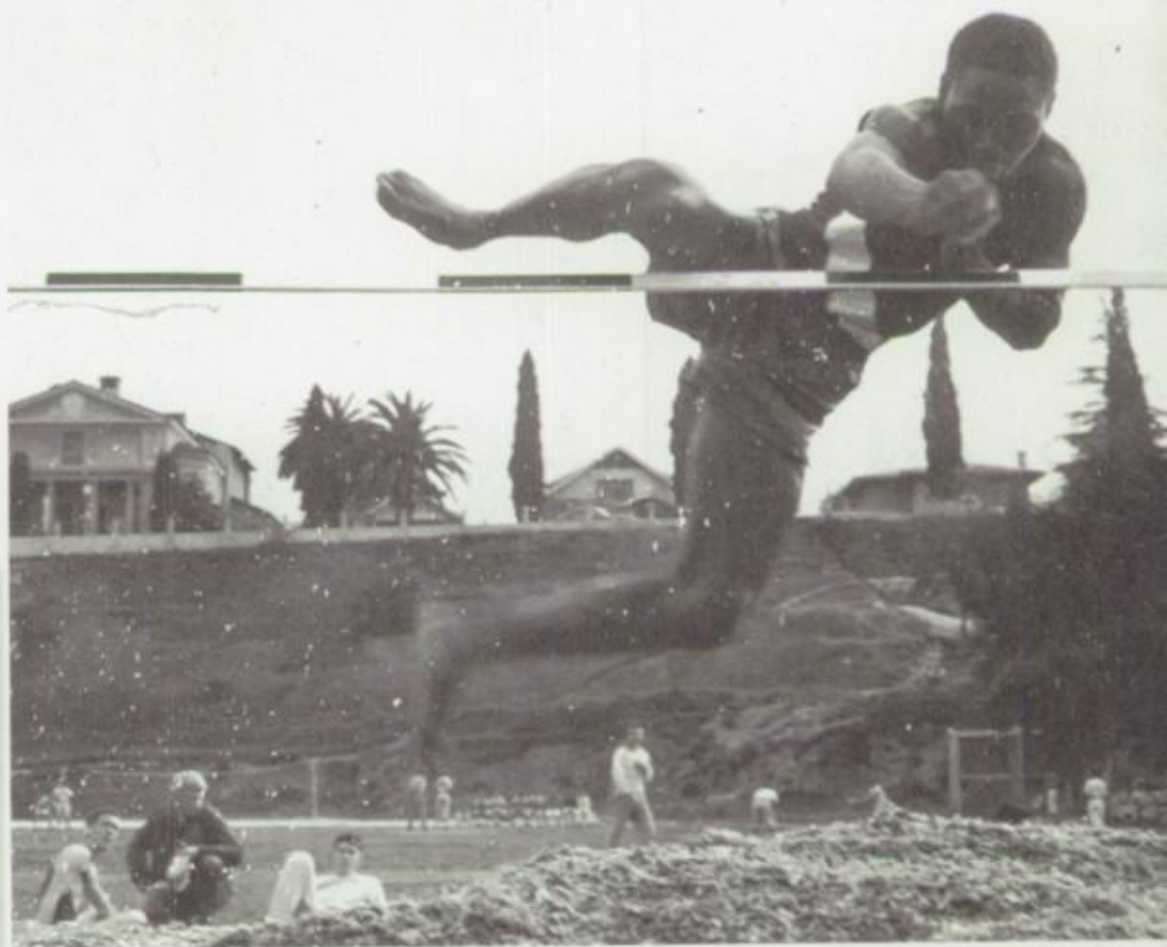

As we go to press, the track is just beginning. Coach Pecchia expects this year's team to be the strongest in Pacific's history, especially at the "B" level. The biggest asset is balance, in that there is some strength in all events, rather than just a few individual stars. Terrible spring weather has hampered the training schedule and caused postponement or cancellation of several early season meets. **TEAM MEMBERS ARE:** D. Turner, R. McCullough, E. Beatson, R. Martinez, P. Resendez, T. Basham, G. Taylor, J. Reed, E. Fowler, J. Keene, A. Williams, C. Thomas, D. Stephan, W. Starne, J. Mortan, L. Butler, H. Sherrard, J. Troutman, B. Splan, R. Lavoie, P. Potter, B. Murphy, H. Hudgens, C. Tribble, C. Fowler, E. Fowler, K. Smith M. Savage, J. Griner, G. Fowler, Coach Pecchia, B. Curley, L. Sterrett, R. Ortiz, L. Bolton, M. Rice, B. Woertink, K. Jennings, I. Ross, A. Beeker, R. Northington, B. Thomas, A. Webb, B. King, H. Washington, R. Lacey, G. Erskin, J. Davis, T. Beatty, G. McCormick, D. McCollough, C. Moore, J. Whitmill, R. Grace, and T. McKenzie.

The Pacific wrestling team, although only in its second year, really shined in competition this year. Honors captured include first place in the annual CBL novice tournament, individual placements of second, third, and fourth in the CIF tournament, and second place in the MT. Miguel tournament. **TEAM MEMBERS ARE:** Starr Coleman, Howard Wilson, Charles Overhelman, Frank Winegar, Gary Erskins, Jay Ellerbrock, Roy Little, Lonnie Tullis, James Shelton, Robert Valadez, Mike McKovich, Roscoe Tullis, Willie Farris, Claude Potts, Art Bertolina, Roger Hart, Dennis Johnson, Jim Hemphill, Butch Dull, Gene Pope, Wally Raynor, Glen Rickert, Coach Liles. **RIGHT:** Two members of the team practice wrestling techniques taught by coaches Fotia and Liles.

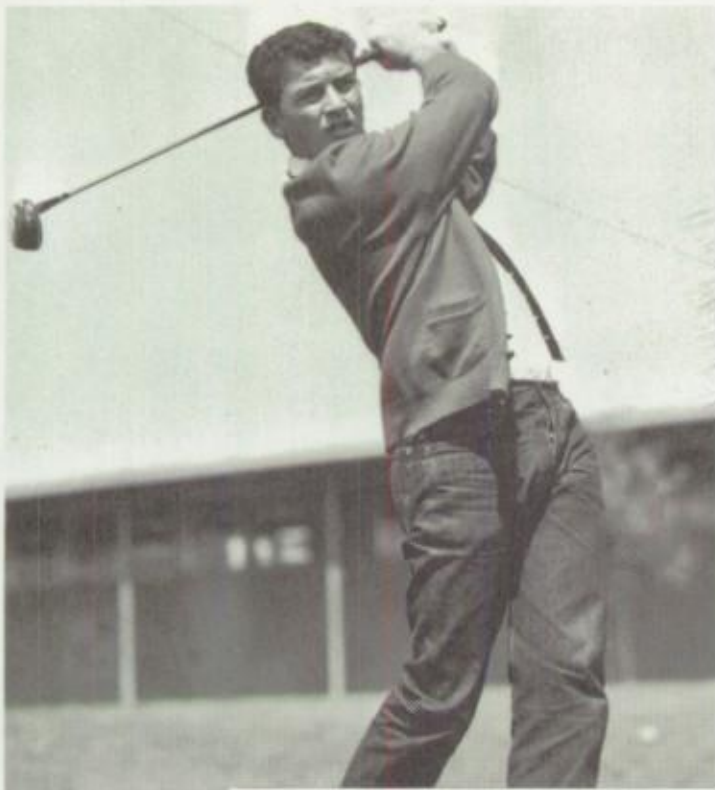

TENNIS TEAM

At copy deadline, the tennis season is just beginning, but Coach Ray Postema is reasonably enthusiastic about the team's chances. He hopes for a finish among the top three in the Citrus Belt League, and he points with pride to the fact that 36 good candidates turned out for the squad. Last year's team finished with a record of 15 victories and 9 defeats, but the only returning lettermen are Cover, Evans, Baird, and Koch. Cover and Evans are three-year lettermen, however, and Cover is playing his second year as Number 1. **TEAM MEMBERS PICTURED ARE:** N. Sprouse, T. Ashment, D. Baird, C. Koch, L. Meisinger, V. Evans, B. Tyrell, M. Ide, Mr. Postema, M. Newkirk, B. Benbow, S. Cramer, J. Wechsler, J. Van Wie, D. Owen, D. Hudson, W. Theim, D. Gaynor, J. Wilcox, S. Voss, B. Greve, J. Ulicny, and (inset) B. VOLLEYBALL

The determined look on Judy Williams face expresses the feelings of the team during more than one ballgame held on the girls' athletic field. Behind the bat is Joan Stembridge.

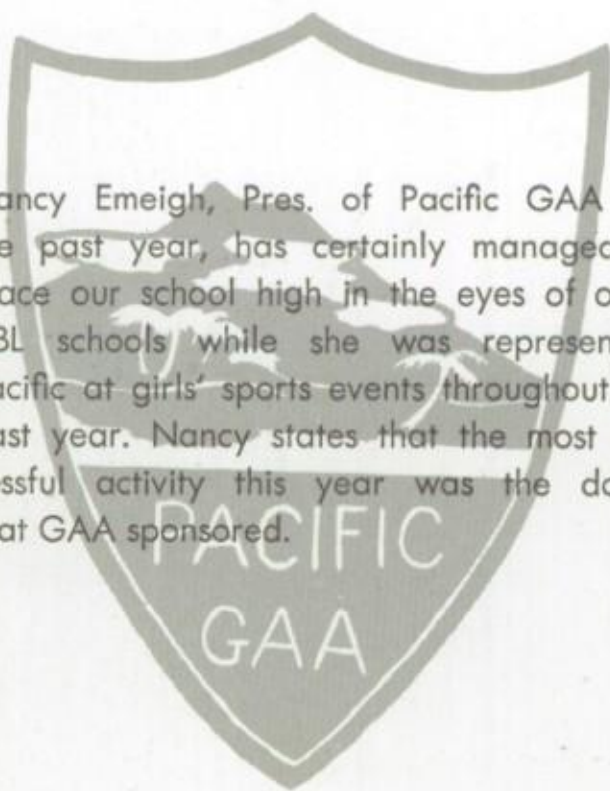

A sophomore on her way to the GAA Informal Initiation.

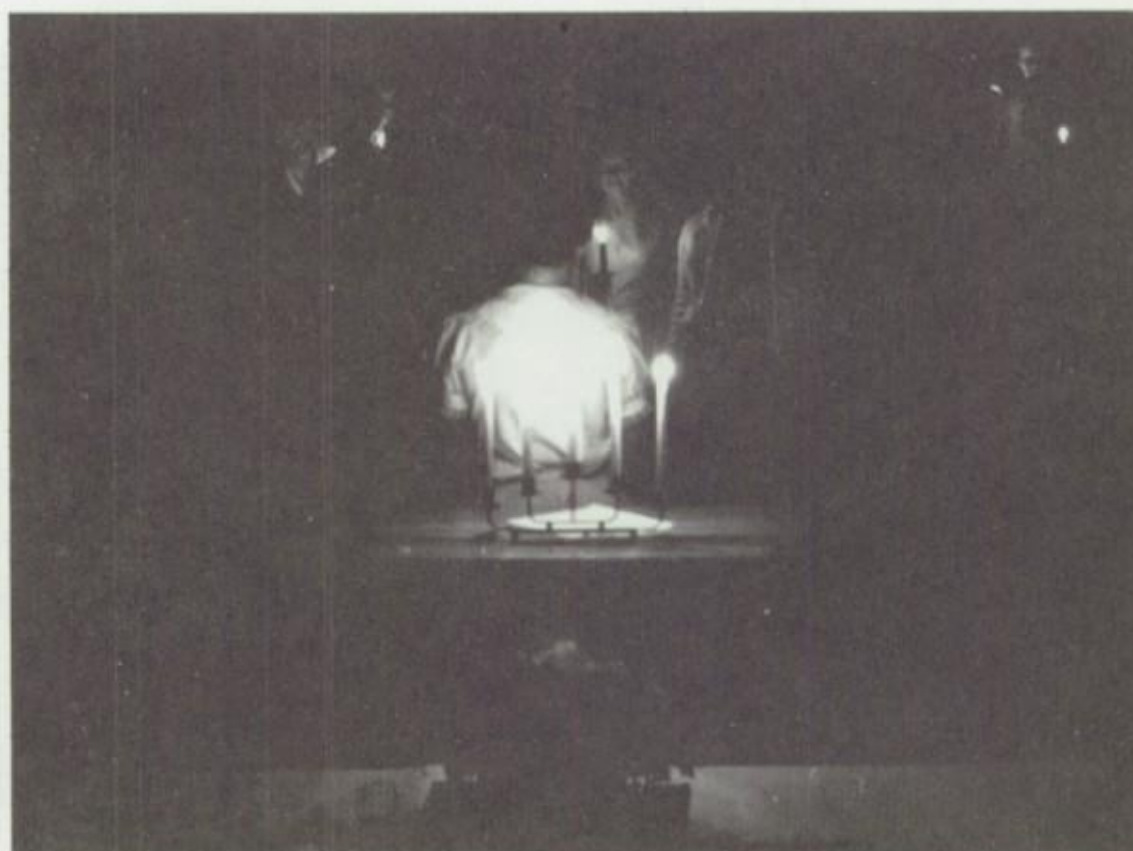

Nancy Emeigh, Pres. of Pacific GAA for the past year, has certainly managed to place our school high in the eyes of other CBL schools while she was representing Pacific at girls' sports events throughout the past year. Nancy states that the most successful activity this year was the dance that GAA sponsored.

Active participation in the activities of the Girls' Athletic Association also has its material benefits. Pictured above are the letterwomen of GAA. From **LEFT TO RIGHT**, They are: Margie Woodall, Nancy Emeigh, Joan Stembridge, Elaine Wilson, Jill Wechsler.

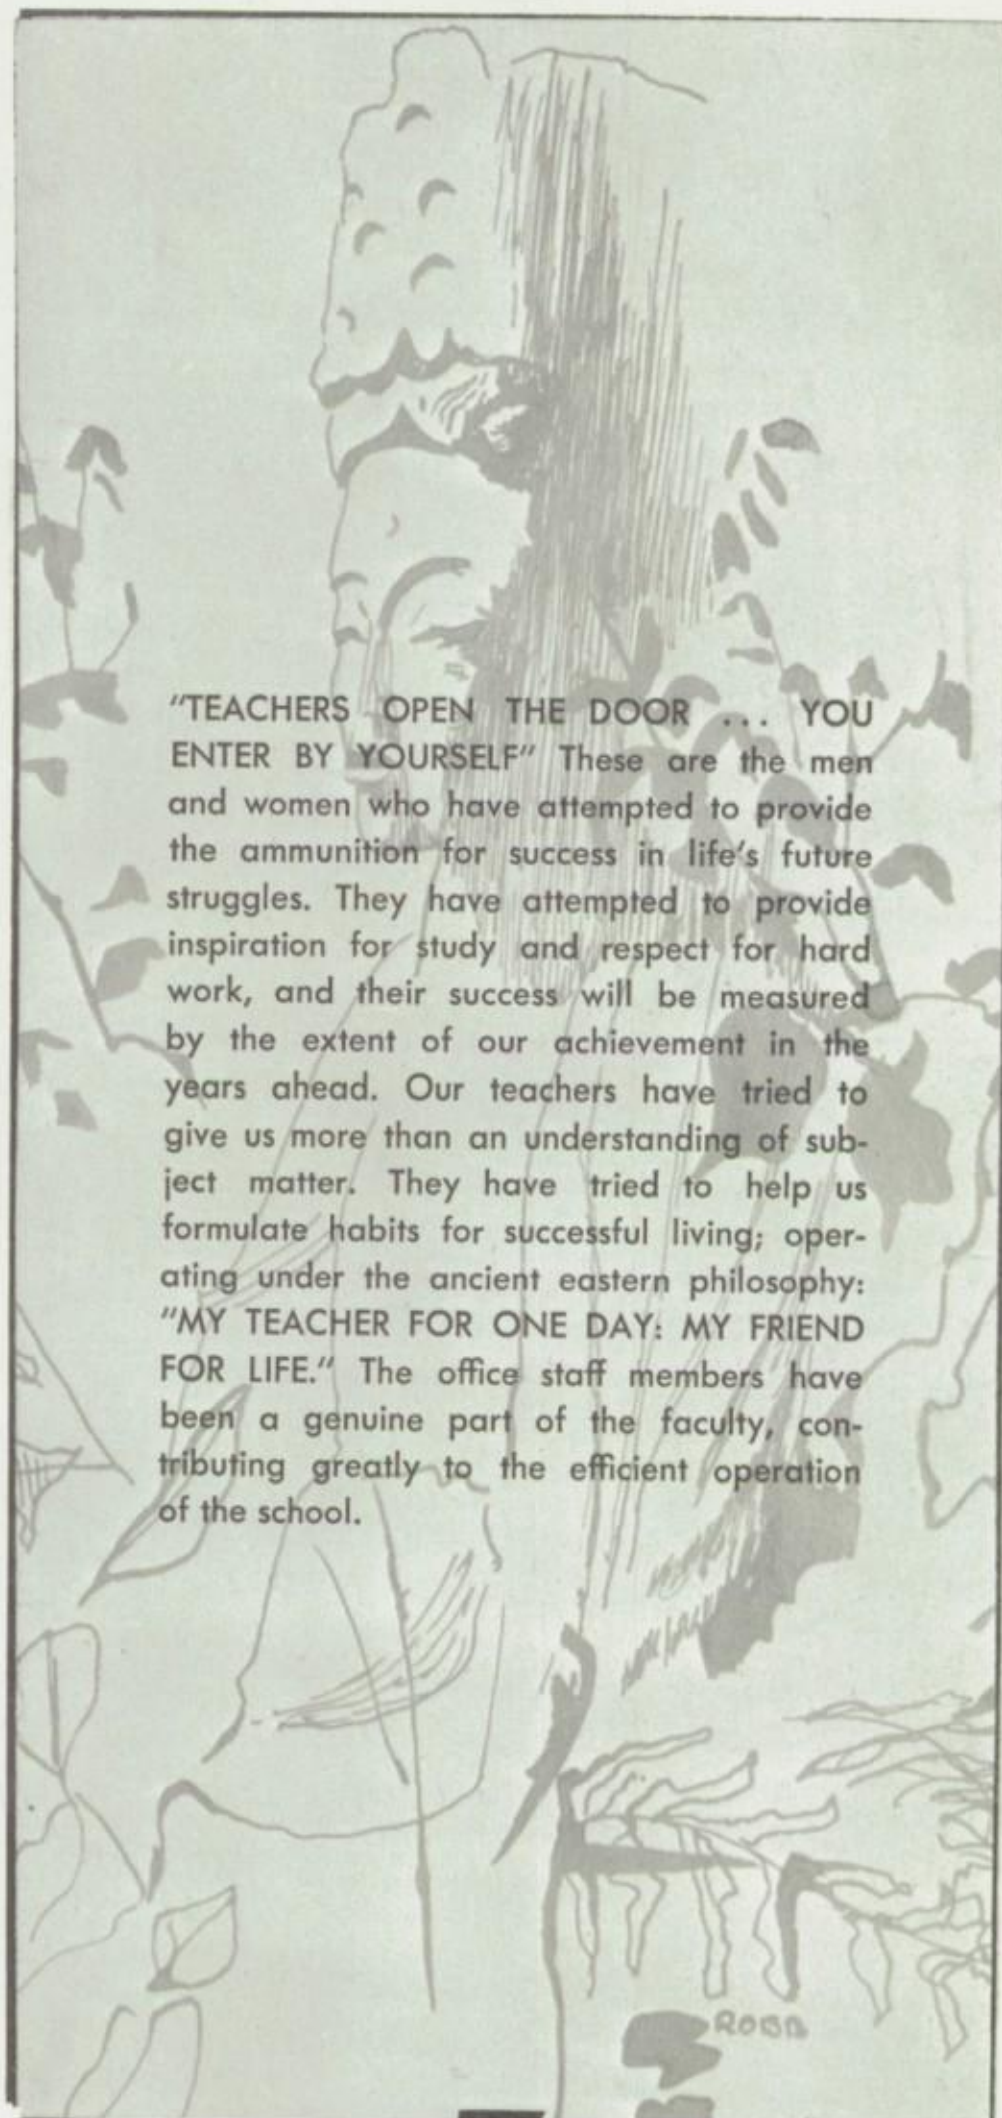

GAA also has its formal side. Each year a formal initiation to welcome new members into the club is held. This is a candle light ceremony which has always stressed the moral and social values.

FACULTY

ADMINIS

"TEACHERS OPEN THE DOOR ... YOU ENTER BY YOURSELF" These are the men and women who have attempted to provide the ammunition for success in life's future struggles. They have attempted to provide inspiration for study and respect for hard work, and their success will be measured by the extent of our achievement in the years ahead. Our teachers have tried to give us more than an understanding of subject matter. They have tried to help us formulate habits for successful living; operating under the ancient eastern philosophy: "MY TEACHER FOR ONE DAY: MY FRIEND FOR LIFE." The office staff members have been a genuine part of the faculty, contributing greatly to the efficient operation of the school.

Our 1957-58 school year has certainly been the most outstanding one in our history in terms of student attitude and behavior. Our campus has been more adult than ever in our history. We congratulate the class of '58 for its leadership and the other two classes for their cooperation. You deserve this very fine annual.

KENNETH P. BAILEY

EDWARD V. RYAN
Boys' Vice Principal

We are completing a school year at Pacific that is certainly one of which both students and faculty can be proud. Enrollment-wise, this high school is one of the largest in the state, yet through the magnificent attitude of the students it has maintained a small school atmosphere.

This has been a year of outstanding accomplishments during the school year which include such things as development of Senior Plaza, establishing the Rock of Champions, the passing of the bond issue that will give us an auditorium, allow us to black-top the parking lot and landscape those campus areas that are still undeveloped. During this school year it will be recalled that we had our first Sophomore Campout and our first Sophomore Orientation Day. Due to the enthusiastic student leadership, both of these affairs were a tremendous success. In one year they will become traditional at Pacific.

Everything at Pacific is primarily due to the hard work of Pacific students. It should also be stated that while Pacific is strong in activities, we must remember that the foundation on which our activities program is built is the scholastic achievement of many of our students. We have constantly been proud of the number of scholarship winners, and we believe that the achievement in scholarship is better this year than ever before.

Those of you who are being graduated this year can take deep pride in the many things you have accomplished during your three years here. Your class has had few peers.

"Education is Not a destination—it is a journey—always we are enroute."

1953-1958 Five years during which Pacific High School has held its doors open to young Americans journeying along life's education highway. We pause a moment in review.

"Pacifiana," our book of memories, named so to designate a year at Pacific, has now been successfully published five times—each edition a bit larger and more impressive, yet each significant in itself. Each year has brought its rewards and its successes—with 1957-1958 topping all. As we stand at the close of this our fifth year, we can truthfully say Pacific has not only been launched successfully but has already established itself in its proper orbit. Now we must strive to make our light glow ever more brightly, and to extend our educational influence to even greater distances as we circle in our orbit—and, in so doing, helping in our way to brighten the hearts of the world for all peoples.
